THE CENTER FOR AMERICAN ART

1987

Salmagundi Club

"THE SALMAGUNDI SPIRIT"

"Today's New Yorker, mounting the stairway between the gas-lamps, feels it as he enters the historic doorway. What lies behind that doorway is an essence, a flavor, subtle, unique...in a word "Salmagundian."

Here, in casual and formal evenings, come together the makers of art and the friends of art, bound by a mutual pleasure in the highest traditions of American painting and sculpture.

Salmagundi is first and foremost an artists' club, and Salmagundians are, for the most part, residents of New York. But members are to be found the length and breadth of the country, and as far away as London, Amsterdam, Toronto, and Lisbon. They represent every area of contemporary life, from the related fields of literature, music, drama, communications, to industry, finance, education, private business and government service.

At 47 Fifth Avenue, these variant worlds become one, blended in intellectual camaraderie, in simple relaxation ...in all the comfortable and stimulating club life at its most rewarding levels.

Year-round programs keep the Salmagundi exhibition galleries, the library, lounge and meeting rooms of the Club alive with activity for members, their friends and for the visiting public.

SALMAGUNDI CLUB
Forty-seven Fifth Avenue
New York, NY 10003
[212] 255-7740

A life sketching group for artist members meets every Monday night at the Club. Other painting and drawing classes are available during the week to members and non-members who wish to learn or to improve. Classes are conducted by prominent artist members.

Lectures and demonstrations, to which members may bring their friends, offer other unique evenings at the Salmagundi Club. The public is invited to demonstrations, by well-known artists, of the individual techniques used in the creation of a work of art. Audiences can witness the coming-alive of paintings by men whose names are associated with the great museums and private collections of the world.

Galleries are open to all. Exhibitions are inaugurated with receptions and dinners for artists and members. There is an annual watercolor and sculpture show, an oil show, a drawing and print exhibit, a summer show, special exhibitions and a thumb-box painting exhibition, so-named for the tiny paint-boxes, which artists often carry in their coat pockets.

Salmagundi's services to artists are part of a tradition that grows and is enhanced each year. It offers professional and financial assistance to painters and sculptors at critical periods in their personal lives. These grants are made possible through restricted funds received as bequests or gifts in trust. "
